The Swim Center Management reserves the right to require additional party attendants in certain circumstances.

Parties can be booked year round (only June through August for outdoor rentals) and can be scheduled seven days a week, but typically work best on weekends. Hours available for parties to be scheduled are from 12pm to 8pm. Pool space will be available to the public during your rental time. Parties **cannot** be scheduled on: Memorial Day weekend, the first weekend in June, Fourth of July weekend and Labor Day weekend.

It is recommended that you book more than **two weeks** before the rental date. All cancellations must be made a full two weeks prior to the rental in order to receive a full refund. If space allows and staff can be secured, a rental may be booked with less than two weeks advance notice, however, the rental will not be eligible for cancellation or refund.

PLEASE NOTE: Alcohol is not permitted at RSFC and we cannot permit the use of either a moon bounce or piñata during rentals. Generally speaking, customers may host a DJ, clown, magician, puppet show, etc. however, there are many activities taking place at the facility and management reserves the right to adjust the volume if party activities are adversely affecting other programs. Food and decorations are permitted, but please keep in mind that customers are responsible for returning the rental space to its original condition by the end of the reservation (or the security deposit will be forfeited).

BIRTHDAY PARTY CHECK-IN AND OUT PROCEDURE

Thank you for hosting your party at the Rockville Swim and Fitness Center. Here are some instructions to keep things running smoothly during your rental.

1. When the main contact for the event arrives at the outdoor booth, let the booth staff member know you are here for a birthday party rental. Note that every guest will be expected to pay an entry fee to the facility. The admission payment is in addition to the fee we collected for the rental area and is due regardless of whether or not they are swimming. Payment is due upon entering the facility. Daily admission rates are as follows:
[We'd be happy to charge you the resident rate. Presentation of a Recreation ID would be necessary for resident rates to apply for EACH person]
\$7.00 –Adult (age: 18-60)
\$6.00 – Child (age: 1-17)
\$5.60 – Senior Rate (age: 60+)
(Infants under the age of one are free but, they need to wear vinyl pants over a swim diaper to enter the pool.)
2. The main contact for the event has the option to pay for guests using two methods:
-Provide a guest list with names of all attending the party to the booth or (in rare instances) the front desk staff. As the guests arrive staff checks names off of the list and guide the guests in the right direction to the party. The payment in full for that number of guests is done by the host on the day of the party. The renter will be charged for the number of adults and the number of children that enter the facility. Unfortunately we cannot issue refunds for guests that do not arrive.
-The other option is the main contact for the event (or a designee) remain at the booth entrance and pay for each guest as they enter the facility.
3. After payment is collected for all guests entering the facility the renter will be able to report to the designated rented area (Tent or Room A/B).
4. The rental space will be clean prior to the start of the rental. The main contact for the event is responsible for returning the rental space to its original condition by the conclusion of the rental (up to 15 minutes after the rental is scheduled to end). Damage to the space, additional cleaning fees, additional rental time or additional admission fees will be deducted from the security deposit.

I understand and will adhere to these procedures:
